Wiley Author Services Workshops and Webinars

Expert guidance on a broad range of publishing topics provided regularly through live sessions, virtual events, and webinars.

Recent sessions include:

- What Makes a Good Abstract and More...
- Trust and Transparency in Peer Review
- Introduction to Publishing for Early Career Researchers
- Your route to Open Access: 5 steps to success

Attendee Feedback:

"The topics covered from shaping one's articles to writing the first paragraph gave valuable insight into how publishers and reviewers look at our writing. For research scholars like us, who are starting our careers, these little tips make a difference."

Ashish Kumar Jha, Doctoral Program Representative, IIM Calcutta

Online Ordering for Print Books

Place your order online at wiley.com using the promotion code to receive a discount.

1

Visit wiley.com and search for the product of your choice

2

Click  'BUY' to add products to your shopping cart

3

 **CHECK OUT** and enter your billing information

4

Enter the Promotion Code to  **Apply Discount** and **PAY NOW** to complete the transaction

If you wish purchase an **Adobe** or **e-Pub e-book**, please refer to the **Help** section on the **Shopping Cart** page for instructions on how to download and open your e-book

Simply  the **Ordering link**, then  on the **e-books** link

Ordering Evaluation & Inspection Copies on wiley.com

To order an evaluation copy online:

1

 **Instructors Section**
 **Evaluation Copies and Inspection Copies**

2

Search for the product you are interested in. If an evaluation copy is available for that product, a link to **Request an evaluation copy** will appear on that page.

To find a product either enter the name of the author, title or ISBN and click on **"GO"**

3

Sign in or complete the details on the online form and submit

Listed below are relevant Journals Wiley Publishes in this area

- Angewandte Chemie
- Angewandte Chemie International Edition
- Advanced Materials
- Advanced Functional Materials
- Macromolecular Bioscience
- Macromolecular Chemistry and Physics
- Macromolecular Theory and Simulations
- Macromolecular Rapid Communications
- Macromolecular Materials and Engineering
- Macromolecular Symposia
- Macromolecular Reaction Engineering

Browse Free Sample Issue Online

Visit wileyonlinelibrary.com to download your free sample copy and to sign up to the latest content alerts:

1

Search or browse for the journal of your choice

2

In the **Journal Tools** menu located on the journal's homepage

Get Sample Copy to view the journal's sample issue.

Wiley Online Library

We are constantly launching new and improved features across Wiley Online Library, to help make our content more connected, more readable and more useful.

Take a look below at just some of the new features that are available across our journal content, at no extra charge:

Anywhere Article

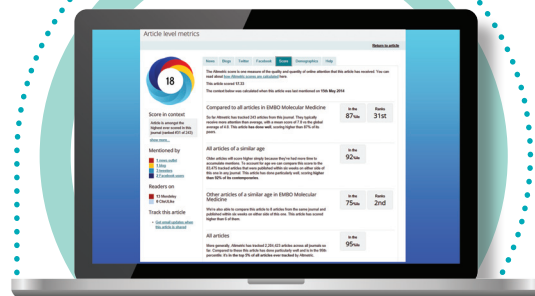

Anywhere Article is focused on making our online journal content easy to digest, whatever screen size you might be viewing it on, with additional information just a click away. It features:

- Readability** - A streamlined layout and clean design.
- Functionality** - An interactive sidebar that offers easy access to citations, which then link to the relevant articles and supporting data as well as a figure viewer that allows readers to browse and download an article's full set of figures.
- Mobility** - The responsive HTML article will adapt to any device, desktop, tablet or mobile - to give the optimal reading experience, wherever the reader is.

Altmetric

Article level metrics - all in one place. Provided through Altmetric, look out for the badge that can tell you all kinds of useful additional information about the impact of individual articles has had across social media, and beyond.

readcube

Wiley Online Library in conjunction with ReadCube, now offers a connected, enhanced PDF for journal articles, offering hyperlinked citations, integrated supplements, figures and other valuable article data, all just a click away.

Make sure you try out the new features for yourself, by checking out some of our Open Access journal content, and see how they can connect you to the wider world of research.
