Preface XI List of Contributors XIII

1 Introduction and Summary 1

John Rapoport, Egon Jonsson, and Philip Jacobs

۷

- 1.1 Introduction 1
- 1.2 Highlights of Each Country's Approach 1
- 1.3 How Are Cost Containment and Efficiency Related? 4
- 1.4 Strategies and Their Effects: A Cross-Country Analysis 5
- 1.5 Current Policy Agenda 12 References 14
- **2 Canada** 15

Raisa Deber

- 2.1 Canada's Health Care System 15
- 2.1.1 Paying for Canadian Health Care 16
- 2.1.2 Delivering Health Care in Canada 19
- 2.1.3 Overall Expenditure Trends 19
- 2.1.4 Cost Control Strategies Employed 20
- 2.2 Supply-Side Measures 20
- 2.2.1 Capped Budgets 21
- 2.2.1.1 Hospitals 21
- 2.2.1.2 Physicians 22
- 2.2.1.3 Pharmaceuticals 23
- 2.2.2 Health Human Resource Limits 24
- 2.2.2.1 Physicians 24
- 2.2.2.2 Other Health Care Professionals 25
- 2.3 Organizational Reforms: Trade-Offs Between Competition and Cooperation 25
- 2.3.1 Cooperation: Regional Authorities 26
- 2.3.2 Cooperation: Primary Care Reform 26

Cost Containment and Efficiency in National Health Systems: A Global Comparison Edited by John Rapoport, Philip Jacobs, and Egon Jonsson Copyright © 2009 WILEY-VCH Verlag GmbH & Co. KGaA, Weinheim ISBN: 978-3-527-32110-0 VI Contents
