 UK Plastics Convention 255
 unfolded protein response (UPR) 204
 United Nations Sustainable Development Goals (UN SDGs) 248, 300
 unmodified polystyrene microplastics (PS-MPs) 217–219
 UN Sustainable Development Goals 248

V

vegetable oil-based polymers 275–277
 visible light photocatalysis 356

W

waste artificial turf (WAT) 320
 Waste Electrical and Electronic Equipment (WEEE) directive 300
 waste epoxy (WEP) 320
 waste plastic sorting for recycling 307–312
 wastewater treatment plants (WWTPs) 14, 23, 62, 163, 250, 336, 338, 340, 341, 370, 371
 waterborne emulsion paints 14
 weathering 6, 16, 17, 29, 33, 36, 42–45, 54, 55, 63, 65, 66, 69–71, 114, 172, 282, 283, 349
 wet biofilm density 25
 Wnt/ β -catenin signaling pathway 219
 woven fabrics 9, 10

Z

zip-lignin 271
 Zn–Al layered double hydroxides (LDHs) 344
 zooplankton 92, 93, 138–140, 157–161
