

## Appendix 2

### Author addresses

Dear author,

To enable contact and correspondence between readers and authors, all books published with us contain an address list that specifies institutional/corporate contact details of all involved authors. To keep this list as up-to-date as possible, we kindly ask you to return the complete addresses of your co-authors together with the proof corrections. Please use the following form:

Title \_\_\_\_\_

Name, first name \_\_\_\_\_

University or company \_\_\_\_\_

Faculty or department \_\_\_\_\_

Street \_\_\_\_\_  
(please note, that our delivery service cannot deliver to mail boxes)

ZIP code, city \_\_\_\_\_

Country \_\_\_\_\_

Telephone\* \_\_\_\_\_

E-mail\* \_\_\_\_\_

\* This information is used for internal purposes and will only be volunteered in case of specific requests.

Please write out given names, at least the first name.

We prefer institutional/company addresses. If you prefer to be listed with your home address, please mention this explicitly on the form.

We thank you for your kind support.
