

# You can choose anything

... from your logo being added right up to an individually designed product.

We also offer you changes to the contents and layout:

## Inclusion in our books

- of logos
- of URLs
- of contact information
- of stickers or banderoles
- of specific company information on/in our books

## Reprints (excerpts from one of our books)

- of a single chapter
- of several chapters of your choice
- with an individual designed cover

see also passage "Reprints" on our homepage

## Design of a new product

- by combining individual chapters from our books/databases, for example
- by changing the format and other individual changes to the layout

... in short: there's no end to the possibilities available for tailoring the product to your own requirements.
