

1988. 5. 30

Sub 9 to

not a chemist but an
organizer.16th International Symposium on
the Chemistry of Natural Products.

May 31, 1988

Japan, and especially Kyoto, is a marvelous place. It was a special honor to give the first public lecture on the synthesis of daphnilactone in Kyoto at the 16th International Conference on the Chemistry of Natural Products -
