

A great pleasure to meet you.
Viva Aromaticity

Diastereoisomers
of benzenoids

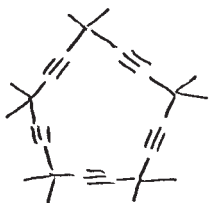

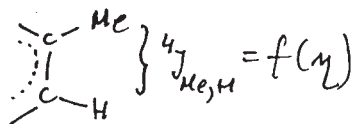

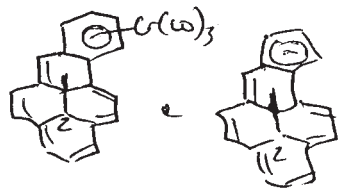

Bill Herndon
Aug 23, 1989

Good to see you again.

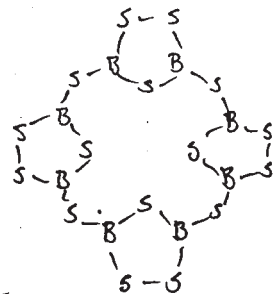

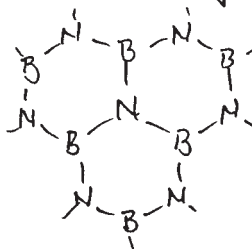

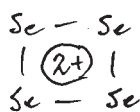

Reg Mitchell. Aug 23/89.

With best regards
Leo Steiner

I am pleased to be back
in Japan and to see you again.

- Larry Scott

Aromaticity is an important concept
for all of chemistry, including inorganic
examples as well.
