

(1070)

Dear Professor Nozoe

I have learned azulene chemistry from Prof. Toyonobu Aso at Tohoku University. And, I got the super stable hydrocarbon carbocations and some novel azulenic compound using nature of azulenes.

1992. 7. 20 Shunji Ito Tohoku Univ.

Dear Professor Nozoe,

It is a pleasure to be here at my first ISNA (oddy enough!) and to see you
