

late 23/7/92

Dear Professor Nozoe, It was great pleasure to see you again at the ISNA-7. I hope I will be seeing you again at the next symposium and at the celebration of also your 100<sup>th</sup> birthday. It is an honor to be invited to sign this book.

With kindest regards

Vinayak V. Kane  
Vanderbilt University  
Nashville, TN.

23/7/92. : I've just finished my lecture.

23/7/92

Dear Professor Nozoe: This is an excellent meeting. I am very glad I came and congratulate you on all the extensions of your pioneering work. We will attempt to extend PAH chemistry through the use of metal arene chemistry and complexes like

Neil F. Woolsey  
Univ. of North Dakota.

Dear Professor Nozoe, for my first ISNA attending I'm happy to be finally able to make it for ISNA-7.
