Kurume

To Prof. Nozoe

Thank you for coming to WCRC.

We'd like to celebrate your health

as well as your chemistry

The Second Workshop on  
Calixarenes & Related Compounds  
June 2-4, 1993, Kurume, Japan

Seiji

Shinkai

Congratulations for a long and marvellously  
productive life devoted to the profession of  
chemistry as a teacher, researcher and all-  
around scholar

Alice Gutsche Daniel Gutsche

At the occasion of the second workshop on Calixarenes  
best regards from The Netherlands

David Reinhardt

Thank you for your contributions to the chemistry  
of aromatic compounds and congratulations for  
your career

Dooco Meyers
