L. S. meeting

For a most stimulating and pleasant discussion.

May the pot of gold accompany the rainbow you carry with you

The world is so full of a number of things,  
I am sure we should all be as happy as kings.  
Dorothea Chamberlain

It was so very pleasing to hear your research results and to get acquainted with you at Masato's  
David L. Chamberlain, Jr.

It was a great honor and pleasure to meet Professor Nozoe and his colleagues in Berkeley
