

It is a great pleasure to visit you
in your own beautiful laboratory. The
activity in this laboratory is really
wonderful! I hope you can visit us in
Cornell again soon. Sendai, July 2, 1958.

Genold Meinwald

With many thanks for a most extensive and
inspiring tour in your laboratory & the city of
Sendai.

Sincerely,

Yvonne C. Meinwald

You are doing very fine work in new
fields & have a fine group &
first rate department. My thanks
for a most pleasant & interesting
visit to Sendai.
