A very great pleasure indeed to be again with my  
friend Prof. Nozoe — and this time in Sendai!  
As ever his hospitality is overflowing and it has been  
an experience to meet his group of young enthusiasts &  
to hear of the work they are doing.

It has been a great pleasure to meet Dr. Nozoe  
for the first time, today. His hospitality is indeed  
overflowing

Etter en vacker och intressant färd i Aofa-jo  
si och församling i prof. Nozoe's rum och rikets  
av alla i Sendai sändhetes, så skilt  
det vackra monumentet över sedan 1905,  
Vi äro förtjusta över alla vasa gästet i Sendai  
universitet.
