

"Fine amicitia vitam esse nullam" - without
friendship life has no meaning - wonderful
friendship was found by all in London - most
grateful thanks to my many Japanese friends
for a most memorable visit to Singapore.

To Professor Nozoe who has made
wonderful contribution in the field of
non-benzenoid aromatic compounds - I
wish to express my sincere and
heartiest thanks for the superb
hospitality. I enjoyed my visit so much
in connection with my participation at the
IUPAC. Wonderful!
