

It's my great pleasure ^{to say} that I'm the first
 visitor signed to Prof. Nozoe's book from Czechoslovakia.
 I wish Prof. Nozoe good health and success in his
 work. Long live the socialist-minded, my country,
 and ~~to~~ in general, unity of the young.

It has been a great pleasure to meet you here.
 My wife and I are enjoying living in Japan. I know
 you will remain very busy -

C'est un grand honneur d'être le dernier à
 signer ce livre avant la retraite du Professeur Nozoe!
 Retraite? Plutôt nouveau début.... Après avoir été
 auteurs, le voilà rédacteur!

Meilleurs vœux et fidèle souvenir.
