

Very happy to be able to welcome you to the
Dyraf Perrins - the spiritual birthplace of "trypolone".
Best wishes for a pleasant visit and for the
long continuation of your notable work.

Antifungal acetylene from Vicia faba (broad bean)!

Walter Thaller

Redford 17-9-66

Synthesis of Isoquinoline derivatives. (Tokyo Univ.)

Structure of Tetradotoxin. (Sankyo.)

Biosynthesis of Polyacetylene (Oxford.)

next is ?

17th. Sept. 1966.

from Clitocybe rhizophora.
