

Yes, you⁸¹
can nitrate
(18)annulene,
if you know
the right
conditions!

This shows that azulene & acetylene
chemistry can be combined!

To Professor Nozoe, to remember
a very enjoyable evening.

Betty Sondheimer

A small contribution of two carbon atoms
to Professor Nozoe's ~~and~~ magnificent contribution
to organic chemistry.

The next step is naphthalene —
unfortunately! It was a great honour
for me, to meet Prof. Nozoe
