I am only a physical chemist and I don't understand what all of this means but it feels good to be so near to obviously great men.

George Hitchcock

My compliments and best personal regards,  
Bill Lipscomb

A pleasure to see you again.

George Trichi

In a sense I am a paper chemist, I do the paperwork.

Ronald E. Vaull

It's a great pleasure to see you again. Next time I hope that Mrs. York will also be with you.
