

Hoffmann-La Roche, Nutley
USA.

We just synthesized prodoxynamine and we
were most grateful for assistance from
Japan.

J. Brossi
11/18/66

What do you think about this structure :

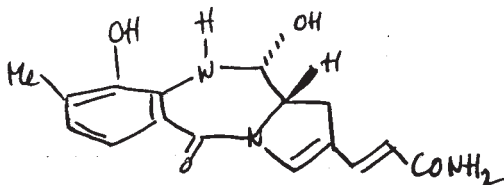

?

Leo H. Steinbach

11/18/1966.

would you
believe?

with kind regards

Willy Lisgarten

How about another org. chemistry
meeting in Japan ??

11/18/1966
