

When I was in school this structure was impossible. Is anything impossible now.

It was our great privilege, my wife's and mine, to break bread with you in the house of Dr. Yeh. Norman and Gladys Hosenberg

Tropolone for everyone!

Compliments of PPG INDUSTRIES U.S.A.

With best wishes,  
Henry Stevens  
(Barberton, Ohio)

Nov. 28, 1966

Your stimulating talks will keep us busy at the bench for some time.

Best wishes  
Don Hardies

You may be interested some day in HCN chemistry.
