May we see you often in Palo Alto!
It was such a pleasure to see you
again, + especially to meet Mrs. Nozoe
on this occasion.

Michiko Tanabe

Sensei and Mrs. Nozoe -

I must qualify as the ^{world} record holder -
for this is my fourth entry into your
"Chemical Who's Who". I thank you for
enabling me to be with such distinguished
company. Having Mrs. Nozoe along on this
trip and seeing her again was an additional
bonus for us. Hope you enjoy your
honeymoon in Hawaii -
