Get Better Mileage through Collaboration!

W⁴J
 W. J. Jefford

16.22 h. still at Geneva, 20 June 1972

Joined together in the unrelenting search for simplicity & frugality in all things,

We salute Prof & Mrs Nozoe in the appropriate way, in this simple lakeside restaurant dans le Parc des Eaux-Vives;

Up to now it has been nothing but ARBEIT, TRAVAIL or just plain work, but from now on it's just a holiday. heigh-ho.
