Dear Grandpa, (& Grandma), Aug. 9, '76

It was such a great surprise finding out that you were here in Edmonton this summer. I loved having you here and it sure was a lot of fun in fasper. Thank you so much for that delicious supper and have fun when you get home — don't bring home any dogs!

Love forever & always,

Teroko 寛子

P.S. See you soon in Japan.

Grandpa & Grandma...

I can't begin to thank you for all the fond memories and all the nice things you've done this summer. I really hope I can see you again sometime in the near future.

I love you
