

-To Say
San Francisco is
but a City,
is as wrong as
saying
You are
but a grand father

To meet exceptional people
is one of life's biggest
pleasures. Hiroko told me
many nice things about
her grandparents and you
lived up (or excelled) to
all of them. Thanks for
making ISNA-3 and San
Francisco my 'best ever'
vacation.

See you in 1980!

Grandpa,
Both of you are
so terrific - I love
you both so much
I look forward
with much
pleasure to seeing
you soon.
Hiroko
