

(58)

Best wishes for your continued success.

Prof. J. Dauteriv.
Dept. of Chemistry, Univ. of Wash.
Seattle

11/19/53 At Seattle
University of Washington

I am glad to meet you

Kironki Mitenhaki

71

Vancouver, B.C., Canada,
November 20, 1953.

K. G. Fensom, (~~Secretary~~) Superintendent,
Forest Products Laboratory,
The University of British Columbia,
Vancouver, B.C.

Very pleased to meet Dr. Nozoe &
have him visit our wood chemistry
laboratory. His discussions of thuyasplicin
& tropolone chemistry were very valuable
to us.
