1977 September 4-10

First International Congress in the  
House of the Rising Sun

Invited by our very distin-  
guished Friend and Colleague  
NOZOE from Sendai  
we enjoy a wonderful Tea-  
Ceremony in the garden  
and have great pleasure  
eating and drinking very  
sophisticated dishes and  
drinks.

With many thanks all  
the very good wishes

Rudolf Herz
