

9-8-'77

I was very much impressed with your talk on your new chemistry given to us at U. of Tokyo last spring. Please visit us more often to inspire us young organic chemists.

Hiizu IWAMURA
Dept. of Chemistry
U. of Tokyo

is the best!

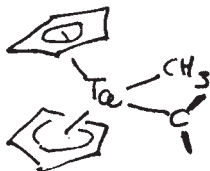

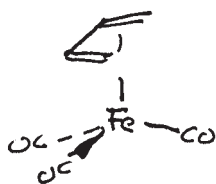

Tokyo, August 8, 1977

Ronald P. Fieser

Too many sakes!!!! Namiro P. Fieser

It was so nice to meet you again in Japan
