

(602)

Tokyo, October 4, 1977.

A great pleasure to see you again and we are all looking forward to welcoming you, your daughter and Sgt. Masamune at MIT next year.

all three from the same two starting material.

George Büchi

Now you may relax and enjoy your benzene rings AND let them support you -

Stan Allured
Betty Lou Allured

在京翰, 受恩師的照顧。非常感激,

鄭玉徽 1977年10月12日。
