

A memorable evening at Clingman So for the boys of the old brigade — Nozoe Sugawara and Todd. Two and a quarter centuries of chemistry between them and — like Johnnie Walker (or Suntory?) — still going strong!

Alex. Todd.
22nd March 1978.

A wonderful Japanese meal. The Todds showed that, even with their long legs, they can eat sitting on the floor!
Alix Todd - 22.3.78

Phalloidin (PHD) binds to F-actin so stabilizing its structure

That, among other features told to his Japanese friends

March, 1978 Theodor Wieland

Trümpfen Abtrottel - Regen klopft an den Bäumen. Wir vergessen nie Jugend Wieland
