

A fitting close to 100 years and
a proper celebration of
Buddha's Birthday —

Melvin Calvin

May each spring, each year, each century
renew again the joy of knowing each other—
all persons, — all nations, — in our small world.

Thank you, — for the joy of knowing you both
Genevieve Calvin

13th Anniversary of U.S.-Japan Seminar on
Physical Organic Chemistry to honor
and to welcome Professor Paul D. Bartlett
and Mrs. Bartlett

April 6/78
