

It was a great pleasure to meet you again  
& discuss some chemistry

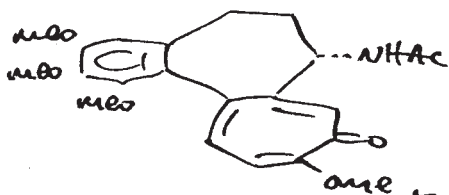

C-glycosides

5-substituted nucleosides

Daniel Brown.

9 April 1979

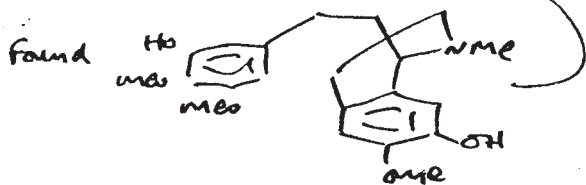

biogenetic studies

1964-1967

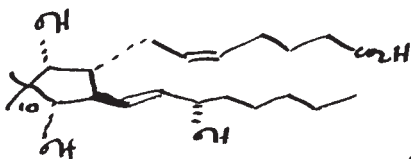

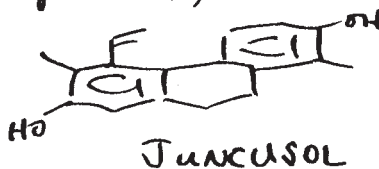

Liverpool with Prof.

A.R. Bentley

was: Porphyrin, corrin biosynthesis, with A.R.B.

and synthetic studies with

with very deft wishes

Ted McDonald
