

Best wishes - biosynthesis of fungal metabolites such as

Jim Hanson
11th April, 1979.

Glad to meet another traveller

Biologically active natural products - antitumor
substances, alkaloids and terpenoids

John Knox
April 11th 1979

Leaf and flower,
In Nozoe's hands,
Make glancing crystal
And limpid oil.

Jim Comforth 11/4/79
(Kappa, the mythical monster)

Rita H. Comforth 11-4-79

Born and bred on Australian
natural products; now interested
in chiral syntheses - we look
forward to your visit to Organic
Department in Sydney whence we
shall show you our rather unique
countryside!

Anne and Damon Ridley
