

May 5, 1979

Many happy returns on your
seventy seventh.

G. Büchi

He too much of Miss Takako's (Mr. Maramura's)
delicious food. Thank you for a pleasant evening.

G. Büchi

May 5, 1979. at Boston

Shinji Maramura

Production by this process is 120 000 metric
tons per year in West Germany, Spain,
USSR, Mainland China, England & Japan.

I made much more contributions to the
chemistry than my elder brother.
