

先生の化学に対する息長い情熱に感激致しました。
お村の御活躍をたい村にお祈り致します。

△ = 謝

With great warmth and admiration for
a great scientist and humanitarian of the
20th century.

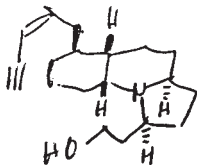

Shazam!!

Leo Paquette
September 24, 1980

Pleased to finally meet the
man who did so much fine work on alkaloids ... when I was only
David G. Hart a child.

Now we are making

Gephyrotoxin

We have also completed total synthesis of colchicine (w/ D.A. Evans)
and S. Tanis
