

(764)

25. 1. 81 Welcome back to Glasgow! It's delightful to see you here so soon after enjoying your hospitality in Japan.

Peter Pauson.

25/1/81

It's good to see you in Glasgow again, on Burns Night. Very best wishes from the 'Crown Prince'!

Alfred Pauson

25/1/81 [Showa 56]

As we last met at the foot of Mt. Fuji and are that far from Ben. Lomond, perhaps we will see you and Mrs. Nozve on another part of the world soon.

Bearden, Glasgow

25-1-81. An anti-Bredt benzene ring.

(as yet unpublished)

The benzene ring is very twisted, but is still aromatic by spectroscopic examination. Tetrahedron, in press

Geoff Buchanan University of Glasgow
