No.

At the ISNA-4 Farewell Dinner I wished, in the name of all of the participants that when we all are 79 years young we should all be as sharp, intelligent and enthusiastic as you are, Prof. Nozoe, as you have demonstrated to us in two ways: 1) By "cleaning up" (with soap) a most interesting area of tropicoid chemistry. 2) By being the most nimble climber up Maccata during the Symposium tour.

Now that we are enjoying your presence in our house in Haifa, and after you have now met our immediate family, you and Mrs. Nozoe are now honorary members of our family. We wish you good health and continued happiness and we hope to meet you soon again.

There is an ancient prayer of the Jews:

לְשָׁנָה הַבְּאֵה בִּירוּשָׁלַיִם

(Next year in Jerusalem)

Let us say, in the same form, in addition:

לְשָׁנָה הַבְּאֵה בְּחַיִּפָּה

(Next year in Haifa)
