

(86)

vielen Dank für Ihren Brief bei  
uns im Heise. Wir haben uns sehr  
gefreut so viel über Sie und Ihren  
zu hören. Vielleicht Sie bei einem nächsten  
Besuch in Deutschland nicht, noch ein-  
mal bei uns haben zu machen.  
Ruth Hafner.

It is a pleasure and your absence to be  
remembered is very regretful.

Werner aus der Pflanz

Have much enjoyed the opportunity of meeting you  
+ discussing your work on the topologies.

J. H. Birkenhead

26.8.57.

I'm very grateful to have had the opportunity of  
meeting you, and wish you continued success in  
the interesting and important work you are doing.

W. Segal

26.8.57.

It has been a very great pleasure to meet you and hear  
of your research into seven-membered rings.

C. E. Stukings

26.8.57

Many thanks for a most interesting discussion  
on topologies and analogous structures
