

Professor Nozoe, and Mrs Nozoe,  
 To my original sensei  
 from my unforgettable days in  
 Sendai (January to July - 1955) I express  
 my thanks again for the recent  
 "Yuko-kai-in" awarded to me that  
 you really made possible.

Your gracious hospitality at the  
 delicious dinner served at the beautiful  
 Chinzanso was also quite an experience,  
 particularly to celebrate the occasion.

The family, Masato, Miyeko, Bob,  
 Ken and Michiko also thank you for  
 your help, friendship and guidance.

I wish you continued success  
 in your "Tropolone-saga"

I thank you for  
 the marvelous dinner  
 and the tour of  
 the beautiful  
 garden.

I will always  
 remember this  
 beautiful occasion  
 with Prof. & Mrs. Nozoe  
 at Chinzanso. Thank  
 you very much.
