

(98)

With very best wishes for
continued successes in tropolone chemistry
Gilbert Stork
Columbia University, Sept. 23, 1957

With gratitude for your interesting stimulus
to thought and discussion.

Ronald Breslow
Columbia University, Sept 23, 1957

With highest regards & best wishes for continuing
success in your many brilliant chemical investigations.

Peter Yates.

Harvard University, Sept 24, 1957.

I hope that someday I will have as
many beautiful crystalline compounds as you
have in your pocket.

Abdul Botman-Mog
