Last time we met was in Olesund  
I had been told about the "7-ring" and  
was excited to meet him personally!  
This time we meet with the Japanese  
Ambassador and Ambassadors five days  
before going to Japan to revisit our  
friends there.  
Hanne, Tom, Sigbjørn

Ulla and Olof G. Tanderberg 

We look forward to having the pleasure  
and having you on the occasion of the  
Solemn Day of the Academy - the evening  
with your Excellency the Ambassador  
was indeed splendid! Tack så meget!

Sincerely yours  
Foreign Secretary  
Olof G. Tanderberg

It is a real pleasure for the Royal  
Academy of Sciences to have a guest like you  
in our much appreciated exchange program  
with the famous Japan Academy.

Cordially yours,  
Anders Gärdenius
